STAT

INCREASED RESPONSIBILITIES AND
AUTHORITY FOR THE GENERAL COUNSEL

STAT 1. Pursuant to Executive Order 11905, dated 18 February 1976, I have promulgated a revision of Headquarters Regulation [] Office of General Counsel, to incorporate requirements that the General Counsel report to the Intelligence Oversight Board any activities that come to his attention that raise questions of legality or propriety, and to formulate practices and procedures designed to discover and report such activities.

2. Further, pursuant to that Order the General Counsel shall have access to any information in CIA necessary to perform his assigned duties.
